Which option is right for you?

Whether you're looking for a short-term rental solution to support peak seasons or a long-term hire packages to reduce CAPEX costs, our team can tailor a package for you.

	Flexi Hire	Long Term Hire
Contract required	✗	✓
Brand new machine	✗	✓
No wear and tear charges	✓	✓
Return machine at end of hire period	✓	✓
Operator familiarisation included	✓	✓
Additional ongoing operator training available	✓	✓

Preventive maintenance as standard

Maintenance is included in both our Flexi Hire and Fixed-Term Contract Hire packages, meaning you benefit from no hidden fees and ongoing support. Our regular service intervals also maximise your electric tugs uptime and performance.

Maximise uptime with consumables packages

The parts you need, when you need them

What's included?

- ✓ Two planned service visits every year (including travel and labour costs)
- ✓ Breakdown prioritisation
- ✓ Discount on parts and labour
- ✓ Callouts for machine breakdown
- ✓ Major component warranty for the life of the contract*

As standard, consumable parts such as batteries, drive wheels, and castors are not covered in our included maintenance service. Therefore, we offer flexible consumable parts packages that can be tailored to your needs.

Speak to our rental team to discuss adding consumable parts to your rental package.

*Misuse and damage not covered by the contract.

Move heavy loads on flexible terms
