

**MasterMover®**

# Electric Tug Hire

Benefit from total purchase flexibility

Performance in motion

# Why rent with MasterMover?

Rental offers a flexible way to benefit from the advantages of electric tugs. Whether you need a short-term solution to meet increased demand, or a contract hire agreement, our rental options can be designed around you.

# Your operational benefits unlocked with MasterMover rental

No capital outlay

Flexible options

Maintenance included

Fixed monthly costs

VAT recoverable

Simplify asset disposal

No hidden costs

Contract-life warranty

# Flexi Hire

Powerful movement when you need it most

## How does it work?

- + Weekly/monthly invoices (depending on hire period)
- + Simply return the machine at the end of the hire period

## What's included?

- ✓ Hire from 1 - 52 weeks
- ✓ Flexible terms – no contract
- ✓ 2 services per year
- ✓ Zero wear and tear charges

## The benefits of Flexi Hire:

All the benefits of an electric tug, as and when you need it

Immediate  
availability

Fully flexible  
around you

Meet demand in  
peak times

Keeping you up  
and running

# Long Term Hire

Heavy load moving without capital investment

## How does it work?

- + Initial payment followed by fixed monthly costs
- + Simply return the machine at the end of the contract

## What's included?

- ✓ Hire from 36-60 month
- ✓ 2 services per year
- ✓ Fixed term contract
- ✓ Zero wear and tear charges

## The benefits of Long Term Hire:

Side-step the cost of an electric tug with contract hire

# Which option is right for you?

Whether you're looking for a short term rental solution to support peak seasons or, a long term hire package to reduce CAPEX costs, our experienced team can tailor a package to your needs.

	Flexi Hire	Long Term Hire
Contract required	✗	✓
Brand new machine	✗	✓
No wear and tear charges	✓	✓
Return machine at end of hire period	✓	✓
Operator training for 1 member of staff included	✓	✗
Additional ongoing operator training available	✓	✓

# Preventative maintenance included as standard

Maintenance is included in both our Flexi Hire and Long Term Hire packages, meaning you benefit from fixed maintenance costs. Our regular service intervals also maximise your electric tugs uptime and performance.

# Maximise uptime with consumables packages

The parts you need, when you need them

## What's included?

- ✓ 2 planned service visits every year (Including travel and labour costs)
- ✓ Breakdown prioritisation
- ✓ Discount on parts and labour
- ✓ Callouts for machine breakdown
- ✓ Major component warranty for the life of the contract\*

As standard, consumable parts such as batteries, drive wheels and castors are not covered under our maintenance package. However, we offer flexible consumable part packages that can be tailored to your needs.

Speak to our rental team to discuss adding consumable parts to your rental package.

\*misuse and damage not covered by the contract

# Move heavy loads on flexible terms
