

MasterMover®

New Zealand Electric Tug Solutions

What could we move for you?

Benefits For The Healthcare Industry

- Dramatic reduction in manual handling
- Move multiple cages
- Health and Safety compliance
- Boost staff morale
- Improve efficiency
- Single source for pedestrian handling equipment
- No operator license required

Powered Tugs For Healthcare

Roll cages, linen trolleys, waste bins and meal trolleys are just a few of the applications we support in Hospital support services. The MasterMover has a standard range of machines specifically for Hospital use and with our dedicated Healthcare team we can provide the best solutions with added benefits.
