

MasterMover®

New Zealand Electric Tug Solutions

What could we move for you?

Benefits For Articulated Trailer Manufacturers

- Increased efficiency through semi automating assembly lines
- Reduce downtime by enabling any trained operator to move a load
- Small footprint machines enable better use of production and warehouse space.
- Safe movement of loads through congested production environments
- Reduce capital expenditure by using fewer forklifts
- Control and manoeuvrability enables you to move heavy and awkward loads more safely

Tugs For Moving Articulated Lorry Trailers

MasterMover provides load moving solutions for companies involved with moving articulated lorry trailers. The compact size of the tug allows modern stage production process methods to be used while creating a safer working environment. The various sectors listed below are just a small selection of the solutions and benefits we have provided.

- Dennis Eagle
- Cartwrights
- Boalloy Industry
- Johnston Sweepers
- Linde Heavy Truck
- Montracon Ltd
