

MasterMover®

New Zealand Electric Tug Solutions

What could we move for you?

Benefits For The Textile Industry

- Reduce downtime by enabling any trained operator to move a load
- Small footprint machines enable better use of production and warehouse space.
- Safe movement of loads through congested production environments
- Control and manoeuvrability enables you to move heavy and awkward loads more safely using less man power

Carpet Handling Equipment | Textile Industry

MasterMover provides load moving solutions for companies producing and handling textiles. The machines are compact and powerful so they help create modern, safe and efficient working environments. The various sectors listed below are just a small selection of the solutions and benefits we have provided.

- Courthaulds
- Christy Towels
- W L Gore
- Jaeger Knitwear
