

MasterMover®

Россия Electric Tug Solutions

What could we move for you?

Benefits For The Chemical Manufacturing Sector

- Safe movement of loads through congested production environments
- Reduce downtime by enabling any trained operator to move a load – no more waiting for forklift or overhead crane availability!
- Control and manoeuvrability enables you to move heavy and awkward loads more safely using less man power

Load Handling Solutions For The Chemical Manufacturing Industry

The chemical industry has many hazards one of which is manual handling. MasterMover provides solutions for moving vessels, containers, equipment and various wheeled loads in difficult working environments. The powerful compact machines benefit from excellent traction so they perform well on wet floors and slopes.

- Procter & Gamble
- Akzo Nobel
- Bostik
- Air Products
- BOC
- Sherwin Williams
