

MasterMover®

Worldwide Electric Tug Solutions

What could we move for you?

How MasterMover products benefit clients in food and beverage

- Quick and easy movement of ingredients, machines and finished products
- Ideal for clean room environments
- Dramatic reduction in manual handling
- Controlled movement of heavy loads even on wet surfaces
- Cuts non-added value time in fast-paced production lines

We're helping the food and beverage industry to keep up with demand in a sector where cost, quality and safety is everything

<div align="justify"> Reduce manual handling, move loads easily, exercise complete control</div>

- HJ Heinz
- McCains
- McVities
- Warburtons
- Kelloggs
- Arla Foods
